Boosters Fete Local Athletes

The Cohasset Boosters Sports Banquet was held at the High School cafeteria last week. Clark Chatterton, Athletic Director of CHS was Master of Ceremonies and Fr. Keohane gave the benediction at the spaghetti supper and award program attended by 425 athletes and their families.

Student athletes who received awards based on team spirit and enthusiasm were chosen by their teammates. Varsity letters and certificates were also awarded.

Diane Maloney was the winner for girls basketball; Rick Hobson won for wrestling; Ruth Ann Sargent tied with Gaye Ripley for girls gymnastics; and Jimmy McCarthy and Billy O'Brien tied for boys basketball. Tim Smith won for ice hockey.

Athletes selected for the South Shore League All Stars team were Brian Keating and Paul Farren in basketball, Diane Maloney in girls basket-

ball, Larry Evans and Freshman Dominic Campedelli in ice hockey. It is an honor for a Freshman to be selected for this team, and Campedelli is to be congratulated.

There are nine South Shore League teams, and each team selects 10 of its best players. From this list, athletes are selected by teams other than their own, so it is a singular honor.

Cohasset High School ended the Varsity winter sports season with high standings.

Boys basketball finished third and played three post season games. The team went as far as the Massachusetts State Tournament, making the semi-finals in District I South. Ice hockey finished second and the girls gymnastics finished second, winning the All-League meet. Girls basketball finished sixth.

This year was a record-breaking winter Varsity sports season for Cohasset High School.

DOCTORATE OF DOGMA? Duke regularly visits the high school and one course he needs instruction in is negotiating stairs. His teachers are Paul Igo and Joy Ditmar.

Call At Derby

Applications are now being considered for the 1979-80 Kindergarten class at Derby Academy in Hingham. The Kindergarten offers three or five-day-a-week programs from 8:45 a.m. until 11:45 a.m. for children who will be three and a half years or older by June, 1979.

Candidates will be admitted on the basis of an interview with Mrs. Stolp, director of the Preprimary Department, and informal evaluation of readiness by Kindergarten teachers Mrs. Emerson and Mrs. Hall.

Application forms and further information may be obtained by calling the school office at 749-0746. Parents are welcome to observe the class and urged to file applications as early as possible, as there are a limited number of places available.
